

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Bampton Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has transitioned from the receipts and payments basis of accounts used previously to the income and expenditure basis, and amended its comparatives as required. However, the prior year column has not been marked as 'Restated' to bring it to the attention of the reader as is required by the JPAG Practitioners' Guide at paragraph 2.9 (a). This is a breach of proper practices and as a result a 'No' response should have been provided at Assertion 3 on the 2023-24 Annual Governance Statement. As this relates to the 2023 column we do not believe this will affect future returns.

It was noted on review that the Period for Public Rights was announced and commenced prior to the approval of the Annual Governance and Accountability Return. Regulation 12 – 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing, and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that.

Other matters not affecting our opinion which we draw to the attention of the authority:

As part of our intermediate testing, we requested information showing the review of documents including Financial Regulations, Standing Orders and their Code of Conduct. Although the Council were able to evidence that the majority of these documents had been reviewed within the financial year the Code of Conduct was not. Where reviews are not undertaken annually, they should be diarised to ensure they are reviewed regularly.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
